

New Fortress Energy Inc. Announces Early Results of its Cash Tender Offer for its 6.750% Senior Secured Notes due 2025

NEW YORK--(BUSINESS WIRE)--Mar. 19, 2024-- New Fortress Energy Inc. (NASDAQ: NFE) (the "Company") today announced the early results of its previously announced cash tender offer (the "Tender Offer") to purchase for cash up to \$375,000,000 in aggregate principal amount (as such aggregate principal amount may be increased or decreased by the Company, the "Aggregate Maximum Principal Amount") of its outstanding 6.750% Senior Secured Notes due 2025 (the "Notes"), subject to the terms and conditions set forth in the Offer to Purchase, dated March 5, 2024 (as amended, the "Offer to Purchase"). Capitalized terms used but not defined herein have the meaning given to them in the Offer to Purchase.

According to information provided by D.F. King & Co., Inc., the information and tender agent for the Tender Offer, as of 5:00 p.m., New York City time, on March 18, 2024 (such date and time, the "Early Tender Date"), the Company had received valid and not withdrawn tenders from registered holders (each, a "Holder" and collectively, the "Holders") of \$1,068,338,000 in aggregate principal amount of the Notes, representing approximately 85.5% of the aggregate principal amount outstanding of the Notes. Due to the aggregate principal amount of Notes validly tendered and not validly withdrawn at or prior to the Early Tender Date exceeding the Aggregate Maximum Principal Amount, the aggregate principal amount of Notes accepted for purchase on the Early Settlement Date will be prorated (using a proration rate of approximately 35.1% and subject to adjustment to maintain the authorized denomination of the Notes). The Company expects such Early Settlement Date to be March 19, 2024 (the business day after the Early Tender Date), but that may change without notice. In addition to the Total Consideration, Holders whose Notes are accepted for purchase on the Early Settlement Date will also receive accrued and unpaid interest ("Accrued Interest") from the last interest payment date up to, but not including, the Early Settlement Date.

The following table sets forth the Tender Offer Consideration, the Early Tender Payment and the Total Consideration for the Tender Offer:

Title of Note	CUSIP /ISIN (144A)(1)	CUSIP /ISIN (Reg S)(1)	Principal Amount Outstanding	Aggregate Maximum Principal Amount	Tender Offer Consideration (2)(3)	Early Tender Payment (3)(4)	Total Consideration (3)(5)
6.750% Senior Secured Notes due 2025	644393 AA8 / US644393AA81	U6422PAA6 / USU6422PAA67	\$1,250,000,000	\$375,000,000	\$975	\$30	\$1,005

(1) No representation is made as to the correctness or accuracy of such CUSIP or ISIN numbers; such numbers are provided solely for the convenience of the Holders.

(2) Per \$1,000 principal amount of Notes validly tendered and not validly withdrawn at or prior to the Expiration Date.

(3) Excludes Accrued Interest, which will be paid in addition to the Tender Offer Consideration or the Total Consideration, as applicable.

(4) For each \$1,000 principal amount of Notes validly tendered and not validly withdrawn at or prior to the Early Tender Date.

(5) For each \$1,000 principal amount of Notes validly tendered and not validly withdrawn at or prior to the Early Tender Date. Total Consideration includes the Early Tender Payment.

Due to the Tender Offer being fully subscribed as of the Early Tender Date, Notes tendered after the Early Tender Date will not be accepted for purchase pursuant to the Tender Offer.

The Withdrawal Deadline for the Tender Offer was 5:00 p.m., New York City time, on March 18, 2024. As a result, Notes tendered pursuant to the Tender Offer may no longer be withdrawn, unless the Withdrawal Deadline is extended by the Company or as required by law.

The obligation of the Company to accept for purchase, and to pay for, Notes validly tendered pursuant to the Tender Offer is subject to, and conditioned upon, the satisfaction or waiver of certain conditions as set forth in the Offer to Purchase, in the sole and absolute discretion of the Company. If such conditions shall not have been satisfied (or waived by the Company), no payments will be made to tendering Holders on the Early Settlement Date. The Company intends to use a portion of the proceeds from its recently completed \$750 million debt financing (net of transaction fees and expenses) to finance its purchase of Notes pursuant to the Tender Offer. The Tender Offer is not conditioned on any minimum principal amount of Notes being tendered. The Tender Offer and its provisions may be amended, extended, terminated, waived or withdrawn by the Company in its sole and absolute discretion.

None of the Company, the trustee for the Notes, any paying agent, transfer agent or listing agent under the Notes, Morgan Stanley & Co. LLC, as the dealer manager, the information and tender agent, any of their respective subsidiaries or affiliates or any of their respective directors, officers,

employees or representatives has made or makes any recommendation to Holders as to whether or not to tender all or any portion of their Notes, and none of the foregoing has authorized any person to make any such recommendation.

The Company has retained Morgan Stanley & Co. LLC to serve as the sole dealer manager for the Tender Offer. The Company has retained D.F. King & Co., Inc. to act as the information and tender agent in respect of the Tender Offer.
