To ensure all holders who intend to accede to the RSA have ample time to submit directions via their custodians, the Company is announcing today the extension of the deadline for creditors to accede to the RSA and, provided certain conditions are met, be eligible for an early consent fee, to 5:00pm, New York City time, on April 8, 2026. Any questions on how to accede to the RSA including submitting direction through the clearing systems should be directed to the information agent, Kroll Issuer Services Limited, at the email address nfe@is.kroll.com and further information is available on its website <https://deals.is.kroll.com/nfe>.

As previously announced, the Company expects to launch the UK RP process in April and the transaction is expected to be completed by the third quarter of 2026, subject to court availability, customary conditions and regulatory approvals. This expected timeline is on track and remains unchanged.
